TRANSPORT POLICY.

To the normal area school

The Authority provides assistance with transport for full time primary and secondary school pupils to the end of statutory school age who do not live within walking distance of their normal area school. From September 2012 this distance is 2 miles for primary aged pupils and 3 miles for secondary aged pupils. In all cases, the distance between home and school is measured by the shortest available route. Bus passes or refunds are issued where appropriate and special contract transport is arranged if public transport is not available.

To Faith schools

Parents choosing a voluntary aided faith school on religious grounds may be eligible for help with transport if the chosen school is the normal area voluntary school (in most cases the nearest voluntary school) and the school is outside the walking distance as explained above.

In addition, in the case of Catholic schools, only Roman Catholic baptised children are eligible to receive help with travel. In all such requests, baptismal certificates may be required as evidence.

The Council introduced charges for faith school transport with effect from September 2011.

The decision was taken to phase in the charges, commencing with new transport users only and protecting existing recipients.

The charges for the 2015/2016 school year (which are subject to change) are £360 per annum for a secondary school pupil and £325 per annum for a primary school pupil. Parents will have the facility to pay on an annual, termly or monthly basis. A maximum charge relating to two pupils per household will be observed.

To Faith Schools from September 2015

The Authority is ceasing to provide a transport subsidy to faith schools from September 2015. Protection will be offered to pupils in key years – those entering Y5 in September 2014 (therefore, Y6 in September 2015) and those entering Y10 in September 2014 (therefore, Y11 in September 2015). For further information, please see the Authority's Transport Policy for Children and Young People at www.derbyshire.gov.uk/get2school.

To other schools

Parents who send their children to a school which is not their normal area school will not normally receive assistance with transport (children living outside the County attending Derbyshire schools should apply to their home Council). However, assistance with transport will be provided when a child attends a school, other than the normal area school, which is beyond the walking distance explained above but is closer to the child's home than the normal area school.

Transport for pupils with special educational needs and/or disabilities

Transport will be provided for pupils with special educational needs and/or disabilities who attend their nearest school, where the journey exceeds the statutory walking distances as outlined above or in other cases in accordance with the Council's Special Educational Needs Transport policy.

Provision of transport will not generally be made if the preferred school is further away from the child's home than another school considered appropriate by the Council. For more information please refer to the Authority's Special Educational Needs Transport Policy available on the Council's website www.derbyshire.gov.uk.

Please contact the Special Needs Section at County Hall, Matlock, DE4 3AG (Tel: 01629 536531), if you have any queries.

GUIDANCE CRITERIA FOR BENEFIT RELATED HOME TO SCHOOL TRANSPORT

If your child is of secondary school age (aged 11 to 16, school year 7 to 11) and you are either:

Eligible and registered for free school meals

or

Receiving the maximum level of Working Tax Credit and can provide a copy of the latest Tax Credit Award Notice (form TC602) or a recent letter from the benefits agency confirming receipt of maximum Working Tax Credit.

Your child will have an additional entitlement to transport to either:

One of the three nearest suitable schools to where you live that is between 2 and 6 miles from your home
or

The nearest school that is between 2 and 15 miles from home, preferred on the grounds of the parent's religious or philosophical beliefs. Evidence to support religious or philosophical belief will be required.

Road routes will be used for any distance measurements over 3 miles linked to benefit entitlement.

What type of transport assistance may be offered?

Normally either a travel pass for public transport / contract vehicle hired by the Authority or the payment of travelling expenses. The Authority will decide the type of transport assistance offered. In general, pupils eligible for transport assistance may be required to walk up to one mile to or from a designated pick up / drop off point.

Further details of the Authority's Transport Policy are available at www.derbyshire.gov.uk/get2school, or in the parents information booklet – "How to apply for a place at a secondary / primary school – a guide for parents" copies of which are available on Derbyshire's website www.derbyshire.gov.uk/admissions, or from The School Admissions and Transport Team – see below

Behaviour policy

The Authority has a school transport code of good practice. Children should behave properly at all times. It is an offence for anyone to misbehave on school transport, or to do anything which would put at risk the driver or other passengers. Children who create nuisance or cause any damage on school transport may have their transport provision withdrawn.
